## Amelia EARHART

SKOOLGO

Amelia Earhart was an American aviator who was born in 1897 in Atchison, Kansas. She became the first woman to fly solo across the Atlantic Ocean in 1932 and went on to set several other aviation records. Her love of flying and her pioneering spirit captured the imagination of the world, making her an international icon and a symbol of courage and determination.

Earhart was not just a talented aviator, but also an advocate for women's rights and a trailblazer for female pilots. Despite the many challenges she faced in a male-dominated field, she never let her gender hold her back and pushed the boundaries of what was possible for women.

Tragically, Amelia Earhart disappeared in 1937 during an attempt to fly around the world, and despite numerous searches, her fate remains a mystery to this day. Nevertheless, her legacy lives on, and she continues to inspire people around the world to pursue their passions and chase their dreams, no matter the obstacles.
